

**Maritime Campus Quarters Garbage Pick-Up Policy** Effective 9/12/03

**Pick Up Days** - Garbage pick up for all Quarters will take place on **Tuesday** and **Friday** Mornings.

**Put Garbage In** - The Garbage must be placed in large thick plastic bags to prevent them from breaking open. *The bags are thrown into the back of a pick-up truck not a traditional, closed in garbage truck.*

**Garbage Placement** - The Garbage bags must be placed near the roadway.

**Other Garbage** - Additional garbage such as boxes, and other debris will be picked up on Fridays only. Do not put such debris out any other time. Or, you may bring such debris to the dumpster located by the warehouse anytime.

Thank you in advance for your cooperation. Following these guidelines will be helpful to the maintenance operation and will help keep the sides of the roadways neater and cleaner. If there are any questions please feel free to call the maintenance office 718-409-7323.
