

OFFICE OF HOUSING AND RESIDENTIAL LIFE

Extended Stay/Early Arrival Form

Please review the Housing website for all information regarding extended stay/early arrival policies.

Recognizing that students may need to return to campus early, or stay on campus late for various reasons, the OHRL will review requests for extended stay on a need basis. Approval of such requests is not automatic. In the event that permission is granted, a one-time \$50 administrative fee, plus the daily room rate will be charged to the student's account. For any questions, please contact us at housing@sunymaritime.edu or 718-709-7488.
