2016-2017 CHILD SUPPORT PAID VERIFICATION

Your 2016–2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called "Verification". The law says that before awarding Federal aid, we have the right to ask you to confirm information reported on your FAFSA using this worksheet, you and your parent(s)' 2015 tax return transcripts and/or other financial documents.

Student

Parent or Spouse

If there are differences, your FAFSA information will be corrected.

Complete this verification request as soon as possible to prevent delays in the receipt of your financial aid award.

If student is **Independent**, a spouse's signature is optional.

Submit this worksheet to the Financial Aid Office. You should make a copy of this worksheet for your records.
