Academic Board Action for Undergraduate Students

Each semester, students with a GPA below the required graduation GPA are presented to the Academic Board for consideration and may be placed on counsel, probation, or restricted registration for the next semester or may be disenrolled for at least one year.

Required GPA per semester:

Required GPA at graduation used for undergraduate Academic Board decisions. Each degree may include various majors; different majors may require different numbers of courses and credits for the degree. To earn an undergraduate degree in all majors except International Transportation and Trade (ITT), a cumulative GPA rounding to at least 2.00 (i.e., GPA ≥ 1.995 on transcript) is required at the time of graduation.

For the ITT major, the required cumulative GPA is 2.50 (i.e., GPA ≥ 2.495 on transcript).

If there are any further questions, please either contact the Registrar’s Office at 718 409-7266 or go to the website at www.sunymaritime.edu for academic information and requirements.
