SUNY MARITIME COLLEGE CAPITAL IMPROVEMENTS

The 2010-2011 fiscal year witnessed the completion of numerous capital projects. The State University Construction Fund (SUCF) provided \$5.4 million to fund the facilities master plan, install a secondary electric system in Fort Schuyler, complete phase one of the steam distribution replacement project, rehabilitate elevators throughout the campus, and relocate the Admissions Building from its former East River location to the campus entry where it was renovated and expanded. The building now hosts a new campus Welcome Center as well as the Admissions Office.

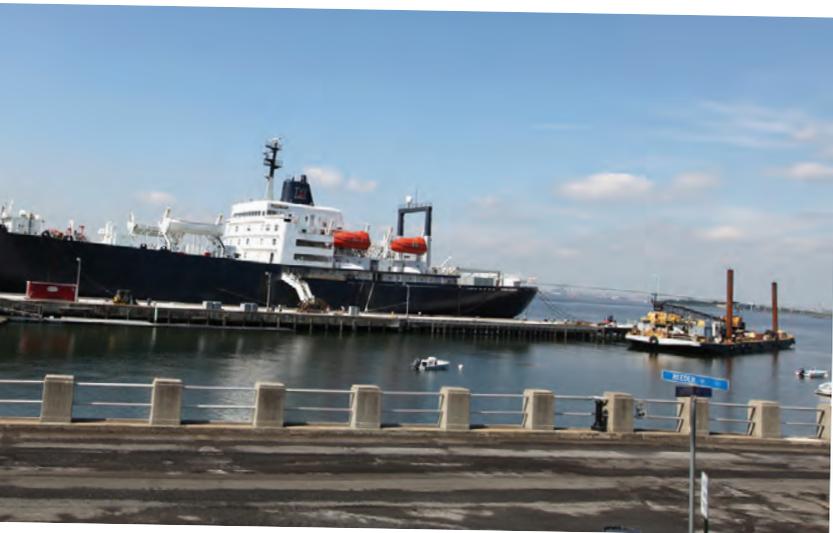

Construction began on a wide-range of multi-year projects totaling over \$71.5 million and include the new academic building, laboratory upgrades in the Science & Engineering building and renovations to Riesenberg Gymnasium and Vander Clute Hall's dining facilities. Construction continued at the pier and waterfront, and the new phases of the following projects were implemented: steam distribution replacement, landscape enhancement, lighting and stone-paver sidewalks. Additionally, the campus security system and various HVAC systems throughout the campus were upgraded. Funding was provided by The State University Construction Fund.

The SUNY Maritime College facilities department is to be commended for its outstanding management and successful execution of the facilities master plan. The dynamic impact of their collective efforts is abundantly evident in every area of the campus.

Going forward, the College will expend \$5.7 million to complete additional aspects of the facilities master plan - several already in the design phase - which include a new facilities warehouse, roof replacements, phase one of an emergency generation system, and construction of a new Seamanship Center at the pier.

SUNY MARITIME COLLEGE CAPITAL IMPROVEMENTS

SUNY MARITIME CONTINUED STRONG PATTERN OF NATIONAL RECOGNITION

2010- 2011 - *U.S. News & World Report* again ranked SUNY Maritime College as a top tier baccalaureate college among public baccalaureate colleges in the North

Selected as 1 of 18 colleges in America by the U.S. Navy to educate enlisted nuclear engineers prior to commissioning as officers

SUNY MARITIME CONTINUED STRONG PATTERN OF NATIONAL RECOGNITION

The Princeton Review named SUNY Maritime College a “Best Northeastern College” in America

Ranked #1 by www.payscale.com for having the highest mid-career median salaries among state universities

THE RENAISSANCE LIBRARY COLLECTION

Maritime’s Stephen B. Luce Library was chosen as one of the 12 most beautiful libraries in the world.

SUNY MARITIME COLLEGE SPRING COMMENCEMENT

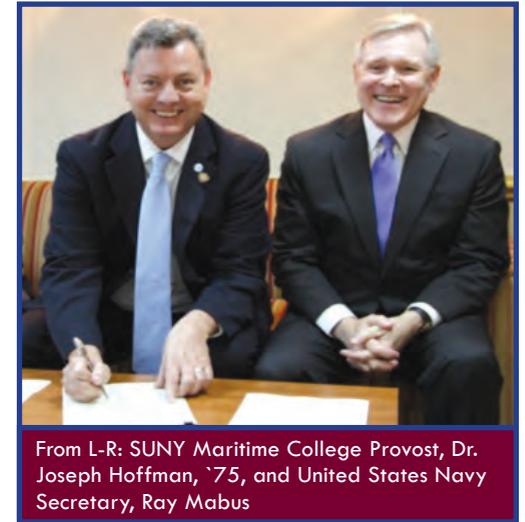

SUNY Maritime College celebrated its spring commencement ceremonies on May 6, 2011. Maritime College President Vice Admiral John W. Craine, Jr., USN (Ret.), addressed the graduates and spoke of the countless opportunities and bright futures that await them. Admiral Craine and Dr. Joseph Hoffman, Provost, conferred Bachelor of Engineering, Bachelor of Arts, Master's of Science in International Transportation Management, and Associate in Applied Science degrees upon 366 members of the Class of 2011. Class valedictorian, Franklin Lynam, graduated with a 4.0 grade point average and received a Bachelor of Engineering degree in Electrical Engineering. Salutatorian, Benjamin Mooney, graduated with a 3.9 GPA and received a Bachelor of Engineering degree in Mechanical Engineering.

SUNY MARITIME COLLEGE ACADEMIC MILESTONES

COLUMBIA UNIVERSITY JOINS MARITIME NROTC UNIT

SUNY Maritime College Provost, Dr. Joseph Hoffman, '75, United States Secretary of the Navy, Ray Mabus, and Columbia University President, Lee C. Bollinger, signed an agreement to reinstate Naval Reserve Officers Training Corps (NROTC) programs at Columbia. The agreement was signed aboard the USS Iwo Jima which was docked in New York City for the Navy's annual Fleet Week activities. Columbia's Navy and Marine Corps-option midshipmen will participate in NROTC through SUNY Maritime College's NROTC program.

FULBRIGHT FELLOW CONSTANTIA CONSTANTINO

Constantia Constantinou, SUNY Maritime College's Department Chair and Director of the Stephen B. Luce Library, was named a Fulbright Scholar and spent six months on sabbatical in Cyprus. Ms. Constantinou's work advanced the Cypriot universities' global access to information by facilitating the creation of the Cyprus National Library Consortium and by promoting access to the Online Computer Library Center, Inc. (OCLC). Through a politically and ethnically sensitive process, Ms. Constantinou developed programs for the Greek and Turkish Cypriot library communities to explore areas of mutual collaboration and understanding. In addition, she worked with the U.S. Department of State to have two librarians – each from a Turkish or Greek Cypriot University - travel to the United States to explore library practices at SUNY, Cornell and Columbia Universities. The Fulbright Scholar Program is sponsored by the U.S. Department of State's Bureau of Educational and Cultural Affairs and is the U.S. government's flagship international exchange program.

SUNY MARITIME COLLEGE ATHLETICS

The 2010-11 season was one of the most successful in Maritime College history as two teams qualified to compete in NCAA National Tournaments. The Football team finished the regular season with a perfect 10-0 record, captured the Eastern Collegiate Football Conference championship and qualified for the team's first-ever trip to the NCAA playoffs. Head football coach, Clayton Kendrick-Holmes, was named the Eastern Collegiate Football Coach of the Year, the American Football Coaches Association (AFCA) Region 1 Coach of the Year, and the D3Football.com East Region Coach of the Year.

Men's Soccer captured its first Skyline Conference regular season championship as well as the Skyline Conference Tournament. This qualified the team for its first appearance in the NCAA Championship tournament. Head soccer coach, Andrew McCarthy, '96, was named Skyline Conference Soccer Coach of the Year.

Men's Swimming captured its 4th consecutive Skyline Conference Championship, and the Rifle team won the Mid-Atlantic Rifle

Conference for the second time in the past three years. Men's Cross Country finished 2nd in the Skyline Conference Championship and won the Skyline Conference Sportsmanship Award. Also winning the Skyline Conference Sportsmanship Award was Men's Lacrosse. Men's Hockey tied for second in the Metropolitan Collegiate Conference.

The Crew team won the Dowling College Regatta Alumni Cup, and the Women Rowers took first place in the Petite Final at the Knecht Cup. The Sailing team finished 3rd in the Admiral Moore Regatta and was ranked as high as 12th nationally during the season. The Offshore Sailing team finished 7th in the Port of Los Angeles Harbor Cup in California.

The Waterfront benefitted from a number of boat donations. Such donations significantly enhance the quality of Maritime's nationally ranked collegiate sailing program as well its youth summer camp and community sailing programs.

SUNY MARITIME COLLEGE SUMMER SEA TERM

To better accommodate the increased number of students in the Regiment of Cadets, and to more effectively facilitate summer training opportunities, the College, for the second year in a row, conducted two 45-day Summer Sea Term sessions aboard Empire State and expanded its Cadet Observer program for deck and engine cadets to train aboard industry vessels. Second and third class cadets took part in one of the two 45-day sessions, and first class cadets were onboard for the full 90 days.

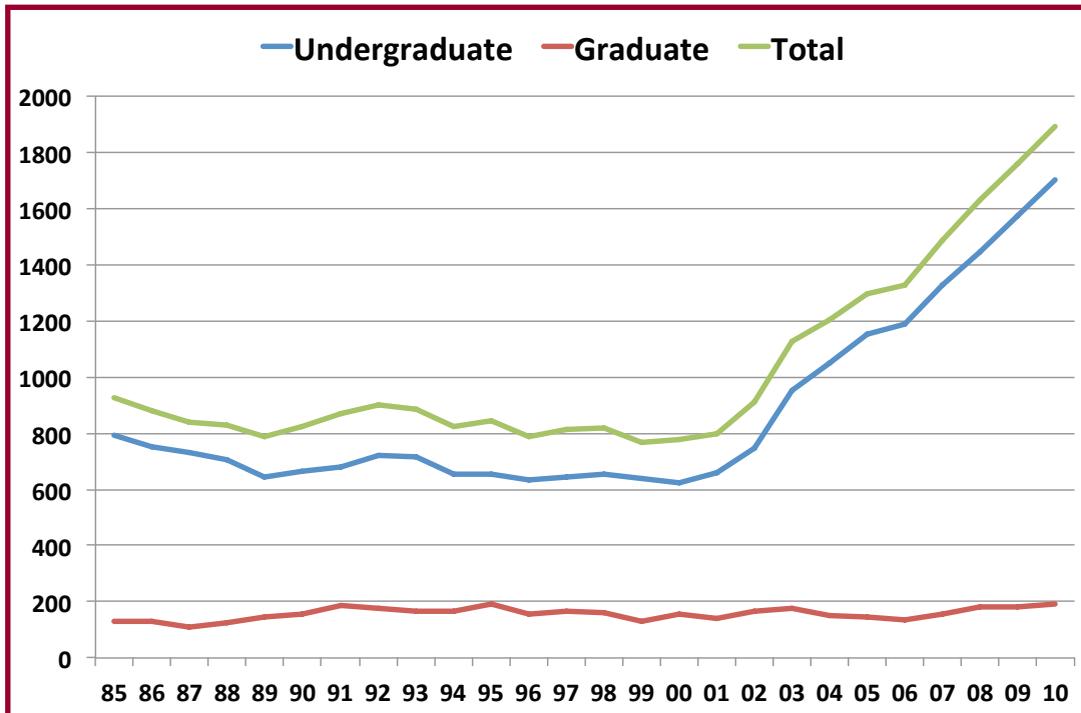

Session I began May 9, 2011, when Empire State VI departed from Olivet Pier with 503 cadets aboard. Session I port visits included Aalborg, Denmark, Riga, Latvia, Gdynia, Poland and Cobh, Ireland. The College chartered World Airways and arranged an exchange of Session I and II students and staff in Ireland. In addition to Cobh, Ireland, port visits for the 502 Summer Sea Term II Cadets included Split, Croatia and Palma de Mallorca. Cadets learned ship handling, maneuvering, and boat training in the waters off Riga, Latvia and Palma de Mallorca. Summer Sea Term 2011 concluded August 9, 2011 when Empire State VI returned to Maritime College.

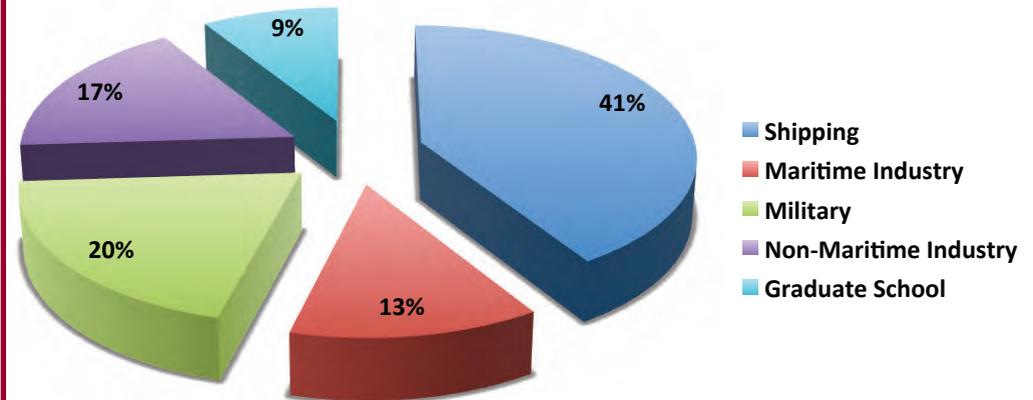

SUNY MARITIME COLLEGE ENROLLMENT & EMPLOYMENT

RECORD ENROLLMENT

Enrollment continued to climb in 2010-11. Undergraduate numbers reached an all-time high with 1,891 undergraduate students and 191 graduate students. Including the license graduates, the Regiment of Cadets reached a total of 1,228 students.

Average Starting Salary for the Class of 2011: \$60,372

SUNY MARITIME COLLEGE FINANCIAL STATUS

As one of the 64 campuses of the State University of New York (SUNY), Maritime College shares in the benefits and resources provided by a large system. Capital improvements are administered through the State University Construction Fund. Grants are facilitated through the Research Foundation of SUNY and philanthropic donations are administered by the University at Buffalo Foundation. SUNY Maritime also operates the Faculty Student Association, a separate 501(c)(3) not-for-profit corporation that contracts with Maritime's bookstore and food service provider, among others.

Financial Condition

The following is a four-year analysis of Maritime's revenue, receivables, residence hall operations and income fund reimbursables. The analysis of this data is key to understanding the fundamental financial components of the College.

Maritime College Budget

In 2010-2011, SUNY Maritime College sustained a \$1.6 million budget cut as part of an overall \$439 million budget cut to the State University. While tuition revenue increased for 2010-2011 (\$9,283,200) due to increased student enrollment, overall operational expenses exceeded income. To offset the shortfall, the College used \$2 million in reserve funds.

SUNY MARITIME COLLEGE FINANCIAL STATUS

Residence Hall Operations

The State University of New York residence halls are operated under the Income Fund Reimbursable (IFR) system that requires all operating costs, fringe benefits and debt service costs of the residence halls be funded from income generated by the Residence Hall operation. The College has the capacity to house over 1,200 students within four residence halls. In the 2010-2011 academic year, all rooms were occupied. Students occupy the rooms during the Fall and Spring semesters. Camps and conferences utilize the residence halls during the Summer months.

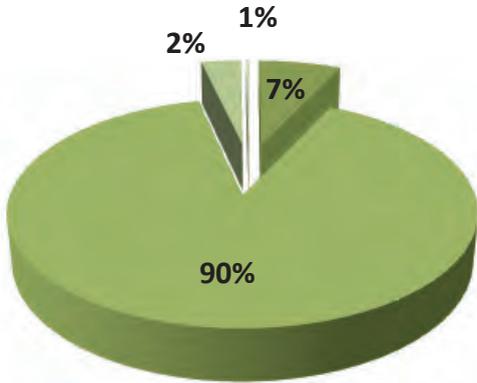

Income Fund Reimbursable

Income Fund Reimbursable (IFR's) are self-sufficient accounts administered by the College.

GIVING TO SUNY MARITIME COLLEGE

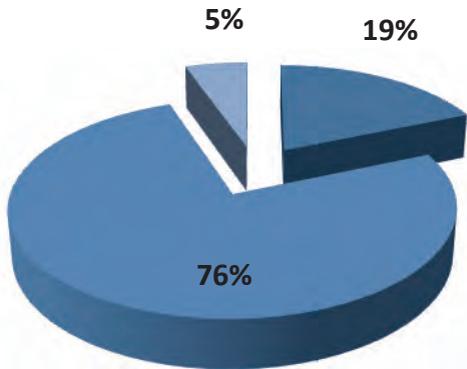

The Sallyport Fund

The Sallyport Fund is the Annual Giving program for SUNY Maritime College. Annual giving is the back-bone of all collegiate fundraising and provides the additional revenue necessary to develop academic programs, expand extra-curricular offerings and enhance student and regimental life on campus. These gifts have an immediate and direct impact on our students and faculty, as well as our athletic and extracurricular programs. Monies raised are used for tuition assistance, technology, faculty programs, capital needs and educational enhancements.

The Admiral's Scholarship Dinner

The Admiral's Scholarship Dinner is held annually in May. Each year, a select number of distinguished SUNY Maritime College alumni and friends are honored for their contributions to the College and the industries they serve. The Admiral's Dinner provides a tremendous opportunity to reconnect with classmates, network with industry leaders, and raise scholarship funds.

Memorial Gifts

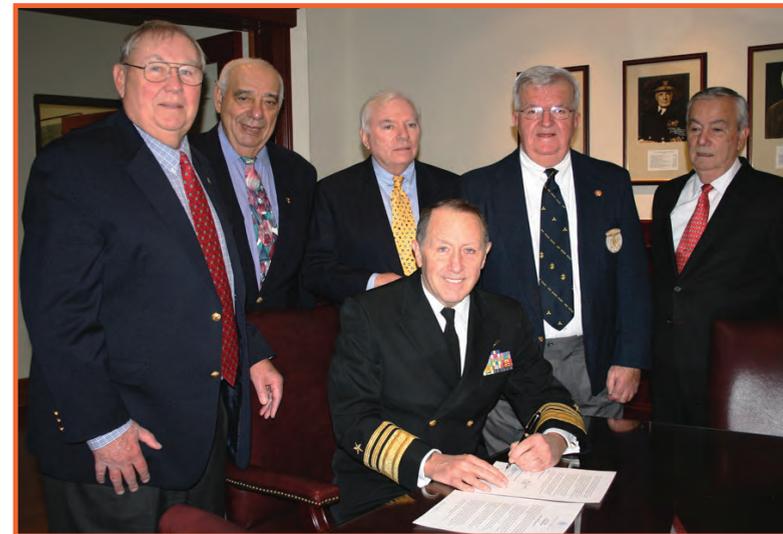

Gifts may be made to honor or memorialize a loved one, for a special intention, or a general need.

Estate and planned gifts

Estate and Planned Gifts are an exceptional way to establish a lasting legacy and make a substantial contribution to SUNY Maritime College. Many alumni and friends have supported the College through planned gifts which include bequests, gifts in trust, charitable remainder trusts and charitable gift annuities.

Endowment Gifts

Named endowments may be established with gifts of \$25,000 and above. An endowed gift is a wonderful way to honor a loved one. The principal of these funds is used to generate income for tuition, department chairs and other program assistance.

Class of 1958 Scholarship MOA

SUNY MARITIME AND THE UNIVERSITY AT BUFFALO FOUNDATION, INC.

All private funds raised for endowment or scholarship purposes at SUNY Maritime College are managed by the University at Buffalo Foundation, Inc. (UBF). With the approval and recommendation of SUNY, Maritime College entrusts these funds to UBF because of their foundation management team, their outstanding return on investments, and the working relationship with Maritime.

The University at Buffalo Foundation, Inc.

The mission of the University at Buffalo Foundation, Inc., is to support and promote the activities and programs of the University at Buffalo, State University of New York, as well as other institutions within the SUNY System. This is accomplished by providing advice and counsel regarding philanthropy and fund-raising, managing gifts and providing a strong base of private-sector support through the foundation's trustees and directors.

Board of Trustees / Directors

The Board of Trustees and the Board of Directors of the University at Buffalo Foundation, Inc. are charged with the stewardship of privately held assets in the service of strengthening teaching and research. Elected by the State University of New York Board of Trustees at the recommendation of the UBF board, trustees serve up to two consecutive 3-year terms.
