

SUNY Maritime College prides itself on being a transfer-friendly institution. Our faculty and staff work hard to make the transition from another college to SUNY Maritime as smooth and seamless as possible. The College assures all transfer students the best possible application of their transfer credits to the degree requirements at Maritime College in order to facilitate degree completion in a timely manner.

Transfer most often takes place without articulation, with credits being awarded on a course-to-course basis. However, to further enhance the transfer process, Maritime College has formalized transfer relationships with many community colleges in the form of dual admissions agreements, articulation agreements, or general transfer agreements. A dual admissions agreement will allow a student to simultaneously enroll in the two-year college and SUNY Maritime. An articulation agreement matches coursework between a community college and SUNY Maritime College. A general transfer agreement outlines the transfer policies endorsed by both institutions.

Below is a listing of institutions with which Maritime College has agreements.

Dual Admission Agreements:

Monroe Community College

Valley Forge Military College

Current Articulation Agreements:

Bergen Community College:	A.S., Professional Studies, International Business to B.S., International Transportation and Trade
Bronx Community College:	A.S., Business Administration, Management Option to B.S., International Transportation and Trade A.S., Engineering Science to B.E., Electrical Engineering
