

CHARTERING MANAGER - FT LAUDERDALE, FL

Our client, a leader in the trade and transportation of dry bulk freight, is looking for an experienced Charterer to join their team in Florida. In this role, you will work with in house traders as well as third parties to ensure that all time chartered vessels are traded in an efficient and profitable manner. We are looking for someone with the following:

- Bachelors Degree, maritime academy ideal
- 5 plus years chartering experience in the dry bulk market
- Thorough understanding of charter party terms and conditions
- Experience with SOFTMAR or other similar software
- Superior verbal and written communication skills, able to work in a fast paced and stressful environment where multi tasking is essential
- Bilingual English/Spanish preferred
- Must be currently authorized to work in the United States, NO sponsorship or visa opportunities at this time

In return for the above, our client offers a generous base salary, performance based bonus, company benefits and paid holiday. This is a great opportunity for an energetic, entrepreneurial charterer to join a large and stable international organization that continues to enjoy year to year growth.
