COMMUNITY PROGRAMS

COMMUNITY PROGRAMS • POLICIES & PROCEDURES

COURSE FEES & PAYMENT

Fees must be paid-in-full to join a program. SUNY Maritime College accepts cash, personal checks, Visa, MasterCard, American Express and Discover payments. Your name will not be placed on the class roster if only a partial payment or no payment at all has been received. Community Programs will send a confirmation of registration and receipt of payment via e-mail if an e-mail address has been provided on the registration form. All payments are submitted to the college's accounting office and may take up to two weeks to reflect as withdrawn. The cancelled check or credit card statement will serve as receipt of payment for the class. Upon request, receipts can be provided for cash payments.

PROGRAM CANCELLATION AND REFUND PROCEDURES

You will be notified via e-mail and/or phone if a program is cancelled due to low enrollment. The full payment will be refunded or can be transferred to another class of your choice. Refunds may take up to four weeks from the cancellation date.

If you find you need to cancel your registration, you must e-mail cprograms@sunymaritime.edu at least seven days PRIOR to the class start date to receive a refund. We do NOT issue refunds after that time, as stated on the Community Program's Registration Form.

Please note that Community Programs does NOT offer make-up classes (unless an emergency class cancellation is required by the college). If an emergency class cancellation is required by the college, a specific make-up date will be scheduled for all participants to attend. We cannot accommodate individual make-up date requests. Participants will be notified via e-mail and an automated phone call.

FACILITY INFORMATION

Changing rooms are located in the restrooms on the second floor of Riesenberg Hall. There are separate areas for men and women. Lockers located in these changing rooms are used by students of Maritime students; therefore, Community Programs attendees may not use them. Restrooms are located in the main lobby.

FOR YOUR SAFETY

An instructor reserves the right to move a participant to a more appropriate class based on safety, ability, and physical endurance. Children MUST be accompanied by a parent/guardian at all times. No roller-skates, roller-blades, scooters, bicycles, skateboards, or hee-lies (wheeled shoes) may be used inside the buildings. Community Programs reserves the right to expel anyone for not following the rules and regulations or for jeopardizing the safety of others.

SWIMMING POOL REGULATIONS

Food and/or beverages are prohibited in or around the Riesenberg Hall pool or pool deck. No one may enter the pool area without a lifeguard on duty. Appropriate bathing attire must be worn; no gym shorts, jeans, or other street clothing will be allowed in the pool. Running, skipping, pushing, or any kind of horseplay will not be allowed. Our pool is NCAA regulated and the temperature is required to be kept between 78-82 degrees. While most participants are comfortable at this temperature due to constant movement in the pool, if you feel that you or your child may be uncomfortable, you may want to wear a long sleeved rash guard shirt. These help retain body heat in the water. Any person walking on the pool deck is required to remove their shoes. Patrons are allowed to wear water shoes or beach sandals that have not been used outside the aquatic center environment. The back hallway pool door is required to be closed at all times. All swimmers are required to shower before entering the pool. This reduces the amount of perspiration, body oils, cosmetics and traces of urine and fecal matter on the body. This simple procedure will lessen the strain on the pools filtration system allowing for cleaner pool water. Showers are available in the men's and women's locker rooms located on the second floor of the Riesenberg Hall with access to the pool.

COMMUNITY PROGRAMS

A shower head is available on the far end of the pool deck for those not accessing the pool from the locker rooms. Showering is a requirement swimmers attempting to enter the pool who have not yet showered will be asked to do so immediately before swimming. Any patron with hair longer than shoulder length must wear a bathing cap.
