On behalf of the Office of Housing and Residential Life at SUNY Maritime College, we’re pleased to offer a paperless Housing Application Platform (Residence™ by Symplicity). This multi-faceted software will be used by the Housing Office to communicate with students and most importantly collect Housing Applications.

Students who wish to reside in on-campus housing for Spring 2015 must complete the online application. SUNY Maritime College uses several characteristics to place students; application date, gender, Regimental or Civilian, class, rank, room preference, and roommate requests. SUNY Maritime College does not discriminate against any student, with respect to housing eligibility or when assigning students to specific spaces, on the basis of race, creed, color, disability, national origin, religion, sexual orientation, or status as a United States veteran.

- Students will be assigned a space on a first come - first serve basis, housing is not guaranteed.
- All students must be registered full-time, to live and remain in the Residence Halls. Full-time: 12 credits Undergraduate, 9 credits Graduate.
- New students or those participating in INDOC will be placed by the Housing Office.
- Roommate requests will not be honored until the students 2nd year in Housing.

If you no longer need housing, please email us at housing@sunymaritime.edu.
