

2016 COLLEGE INTERNSHIP PROGRAM

MTA Bridges and Tunnels is one of the largest bridge and tunnel agencies in the world serving more than 800,000 vehicles each weekday (over 280 million vehicles each year) at its seven bridges and two tunnels while helping support the transit services of the MTA.

MTA Bridges and Tunnels is pleased to announce its 2016 College Summer Internship Program. The internship will run from May 2016 through September 2016 with some flexibility to accommodate college schedules, and is available to full-time matriculated undergraduate students who have minimally completed two semesters during the 2015 school year, as well as matriculated graduate students currently enrolled in graduate studies. Employment is conditioned upon continuance as a student in college or graduate school in Fall 2016.

Selected students will commence the summer internship program (10 week minimum commitment) with the opportunity to be selected for a limited all-year internship (eligibility and program requirements apply).

Successful candidates will be placed based on their major area of study and interests, as well as the needs of the Various operating or staff areas within MTA Bridges and Tunnels. Placements in the program will include: Operations and Maintenance; Engineering and Construction; Planning, Budget, and Finance; Labor Relations; Legal; Security; Safety and Health; and Human Resources and Administration.
