

REQUIRED GPA FOR DEGREES AWARDED

Degrees Awarded:

Undergraduate degrees are: an Associate in Applied Science, a Bachelor of Engineering, and a Bachelor of Science.

Each undergraduate degree may include various majors; different majors may require different numbers of courses and credits for the degree. To earn an undergraduate degree in all majors a cumulative GPA rounding to at least **2.00** (i.e., $GPA \geq 1.995$ on transcript) is required at the time of graduation.

Graduate degrees earn a Master of Science, which requires a cumulative GPA rounding to at least **3.00** (i.e., $GPA \geq 2.995$ on transcript).
