
Regimental Resident Advisor Contract

In addition to all duties outlined by the Office Housing and Residential Life in the standard Resident Advisor contract, the following additional responsibilities are required for any Regimental RA. These duties will be treated with the same level of importance as the duties outlined by the OHRL. Failure to meet these duties will result in the possibility of corrective action, and/or removal from position.

I agree to the following **REGIMENTAL RESPONSIBILITIES**:

- On any day with a morning formation, be present before the start of that formation to take accountability for all persons assigned to that specific floor, and report the status of this accountability to the company's chain of command. Please mark present "o", absent "x", or late "L".
- On any day with a room inspection, perform or assist in performing room inspections for ALL Cadets living on the floor you are assigned to inspect.
- On any night requiring TAPS, perform accountability checks in accordance with the Rules and Regulation for the Regiment of Cadets.
- Perform a uniform inspection as directed by the company chain of command.
- Assist the Security Company in gaining access to students' rooms for the purpose of drug inspections. Assistance in this matter includes:
 - Knocking (3) times and announcing myself as "Housing."
 - "Keying in" when necessary, and re-locking the door if the student is not present.
- Report all discrepancies to the company chain of command.
- Any additional duties assigned by the Regiment of Cadets.

I understand the following corrective actions are associated with my position:

- Upon being awarded a Regimental Class One offense, the position may be terminated by recommendation of the Commandant/Deputy Commandant of Cadets.
- Upon being awarded more than 50 demerits per RA contract from Regimental Class II offenses, the position may be terminated by recommendation of the Commandant/Deputy Commandant of Cadets. Repeated, and documented failures of any specific Regimental duties can lead to termination of the position.

My signature below indicates that I have read, and understand the responsibilities, and expectations of my assignment as a Regimental Resident Advisor. I accept the duties of the position and will perform them as outlined. I also understand that the list above is not meant to be an all-encompassing list of Regimental Resident Advisor responsibilities, and others may be assigned as needed. This contract is subject to change, and will be effective only after prior notification. I further understand that the appointment to the position of Regimental Resident Advisor may be terminated at such time that I fail to abide by the above-mentioned conditions.
