

## Reporting Requirements

### **Arrival: Wednesday, 16 August 2017**

All incoming Regimental students are to report to Maritime College at their assigned time (to be disseminated at a later date) Wednesday, 16 August 2017. Upon arrival, you will be greeted by a member of the Regiment of Cadets who will direct you with the check-in process. For those with outstanding issues, it will be imperative that you bring all documents regarding financial and medical issues with you to expedite and ensure a smooth and timely processing. Following processing, candidates will start the Indoctrination program which will continue until Saturday 26 August, 2017.

Once the Indoctrination program begins, you will not be permitted to have any visitors until Indoctrination Graduation, on Saturday, 26 August 2017. All personal matters should be attended to prior to arrival at the college. In cases of emergency, your parents or guardians may reach you through the Regimental Affairs Office at (718) 409-7352, (718) 409-7442, or through University Police at (718) 409-7311. If for any reason during the Indoctrination period parents must be contacted, they will be called by a member of the Regimental staff.

We do not encourage you to bring large amounts of cash with you. All monetary arrangements should be made prior to your arrival. You may need some money for incidentals. In addition, the Ship's Store accepts major credit cards for all purchases except for cash advances, and an ATM is available on campus. Likewise, use of cell phones will not be permitted during Indoctrination and candidates are strongly encouraged to leave them home for the duration of the program.

\*\*\* Prior to arrival for Indoctrination, if you have been injured or developed any medical condition that may prohibit your participation in Indoctrination (e.g., broken bones, serious sprains, etc.) please contact Health Services (PA Danielle Camenzuli) at (718) 409-5424 to discuss limitations. Should you have any pre-existing medical conditions, please contact the PA prior to arrival to discuss documentation that may be required to clear you for participation in Indoctrination.
