Degrees Awarded:
Undergraduate degrees are: an Associate in Applied Science, a Bachelor of Engineering, and a Bachelor of Science. Each degree may include various majors; different majors may require different numbers of courses and credits for the degree.

To earn an undergraduate degree in all majors except International Transportation and Trade (ITT), a cumulative GPA rounding to at least 2.00 (i.e., GPA ≥ 1.995 on transcript) is required at the time of graduation.

For the ITT major, the required cumulative GPA is 2.50 (i.e., GPA ≥ 2.495 on transcript).

Graduate students earn a Master of Science, which requires a cumulative GPA rounding to at least 3.00 (i.e., GPA ≥ 2.995 on transcript).
