DOMESTIC HEALTH INSURANCE
SUNY Maritime College requires that all full time undergraduate students and any student participating in any cruise or cadet observer must have accident health insurance.

Health insurance is charged to all domestic full time students in the fall term (Aug-Aug coverage). You may not opt to enroll at a later date. Only new incoming domestic full time students are charged for health insurance in the spring term (Jan-Aug coverage).

If you do not have your own health insurance, the college offers this accident and sickness insurance plan. The insurance brochure is available online. Students, with proof of insurance, have an option of waiving the health insurance by completing the waiver form available at https://consolidatedhealthplan.com/group/176/home

If you are playing an intercollegiate sport, it is your responsibility to make sure that your insurance policy meets the college’s minimum levels of coverage. CHP’s waiver deadline is Thursday, January 29, 2015. We no longer process waivers in the Student Accounts Office.

FOREIGN HEALTH INSURANCE
Foreign health insurance (for Foreign Students) cannot be waived.
