QuikPay/E-BILL Payment Plan Information for FALL 2014

You may pay your bill in full through QuikPay/E-BILL using your credit card, debit card or bank account. You will see your payment posted in real time. Please remember, Indoctrination/JDOC and the orientation fee have to be paid without the use of scholarships, grants, financial aid or payment plans.

As in the past, the payment plan option is offered to you interest-free, and depending on when you enroll, will allow you to spread your payments over a period of up to four months! A non-refundable enrollment fee of $25 is required to activate the payment plan. Since the payment plan is set up each term, the $25.00 enrollment fee is also charged each term. If the $25.00 enrollment fee is declined, the plan will be terminated. QuikPay charges a $30.00 returned payment fee if a payment fails. Per SUNY Maritime policy, accounts with a balance will be subject to late fees; that includes accounts with payment plans that have missed a scheduled payment.

You have the option of using a credit card (Amex, Discover, MasterCard or Visa) or bank account (checking or savings) to participate. Payments will be automatically debited from the account you choose on the 5th of the applicable month. You will receive an email reminder several days before your account is debited.

PAYMENT PLAN: The fall 2014 plan is available starting July 5, 2014,

As a courtesy the plan remains open until 9/26/14, but at that time your bill is overdue and subject to late fees.

To enroll in the payment plan the student must:

- Go to www.sunymaritime.edu
- Cost/Aid>Maritime Self Service
- Enter Secure Area and enter your Banner ID and password
- Select the “Student: Student Account button
- Select the “Quik Pay Link” option on the left side of the menu.

There the student will have the option of assigning Authorized Payer, Make a Payment (pay a onetime payment), or Payment Plan. The Payment Plan option will allow you to enroll in the plan.

Again, the payment plan option is available as of July 5, 2014. Parents cannot enroll themselves. They must be enrolled as an authorized user by the student. The student can authorize up to 5 individuals to pay bills and/or receive electronic copies of the bill. Authorized payers only need to be set up once during the student’s attendance at the school, however, payment plans must be set up every term.

Effective September 2012, paper bills are no longer produced or mailed by the College. Electronic bills are the exclusive billing method for all SUNY Maritime College student account balances. If you are not signed up as an authorized user, you will not receive notifications of bills.
