Tailgating Policies

Tailgating is a part of football tradition, particularly college football. However, in fostering a campus environment of responsible behavior you are required to abide by the following policies:

- Tailgating is only permitted in Lot 2 (S&E parking lot, first lot on the right when entering campus).

- Tailgating lots open 3 hours prior to game time and close 2 hours after the game.

- New York State Law mandates that 21 years old is the legal age to consume alcoholic beverages. It is ILLEGAL to serve alcohol to minors.

- NO alcohol will be served to any Maritime College student, regardless of their age, within the tailgate area. Persons registered to tailgate are responsible to ensure that no alcoholic beverages they bring onto the premises are passed to under aged persons or Maritime students.

- ABSOLUTELY no alcoholic beverages are to be taken out of the assigned tailgate area. There are no alcoholic beverages allowed inside the gym or the stadium gates. Failure to follow this policy will result in your removal from the premises.

- Propane and charcoal grills are allowed when used solely for food preparation purposes. Open flame fires, including fire pits, are prohibited.

- Persons registered to tailgate are responsible to remove all trash to appropriate receptacles.

- There is a NO visitor policy in effect in the resident halls during the sporting event.

Maritime does not sanction the violation of federation, state, or local laws, including the consumption/possession of alcoholic beverages by underage persons. Individuals participating in tailgating activities at Maritime College are expected to conduct themselves in a manner respectful of the nature and character of the College.
