Maritime College Student Course Evaluation Form

Course Number/Title ___________________ Instructor’s Name __________________________  Spring 2007

To The Student:

This evaluation form is designed to help your instructor gain a better understanding of how they are assisting your learning and how they might improve their teaching. Please answer each question as candidly as possible. Your anonymity is assured. Your instructor is the only person who will read the comments and WILL NOT RECEIVE THEM UNTIL THE FOLLOWING SEMESTER.

1. What aspects of the course (lectures, labs, materials, etc.) did you find MOST valuable? (What was it that most helped your learning experience in this course?)

2. What aspects of the course (lectures, labs, materials, etc.) did you find LEAST valuable? (What was it that most hindered your learning experience in this course?) How could it be improved?

3. Overall, during what moments in the course did you feel engaged, excited and involved as a learner?

4. What piece of advice would you like to give the instructor on how to teach or improve the course in the future?

5. Did you feel prepared for this course? What was your level of effort?

** If you have any additional comments, please use the reverse of this form.
