INTERNATIONAL TRANSPORTATION MANAGEMENT

Master of Science Degree with distance learning option

“Maritime’s background in international commerce, its small college atmosphere and diverse student body made it the perfect choice for me... SUNY Maritime is the mecca for international trade education.” - Sabine Schuchardt

OPPORTUNITIES AFTER MARITIME

Maritime graduates enjoy a 100% career placement rate within three months of graduation, and have the highest starting salaries in the nation. Companies are eager to recruit Maritime students at our career fairs. Graduates have received offers of employment from firms that include:

ABS
Aramark
Bechtel Power
Carrier
Celebrity Cruises
ConEdison
Crowley
General Dynamics

Johnson Controls
K-Sea Transportation
KAPL
Lockheed Martin
Maersk Line
McAllister Towing
Military Sealift Command

Naval Surface Warfare
Northrop Grumman
OSG
Port Authority of NY & NJ
Seabulk Tankers
Horizon Engineering
Siemens Power
United States Coast Guard

While at Maritime, students have the opportunity to gain industry-related experience through internships. Recently, students have interned at:

Aramark
Bechtel
B&P International
Cameron Engineering
Carrier
ConEdison
Conoco Phillips

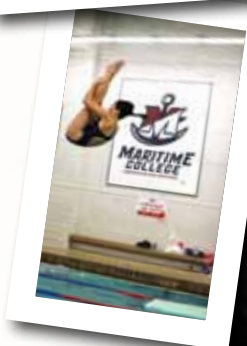

GA Fleet Technical Services
General Dynamics
Johnson Controls
Keyspan
Lockheed Martin
Northrop Grumman
Port Authority of NY & NJ

“Transferring to Maritime College from Nassau Community College was the best decision of my life. The professors are great, the waterfront campus is beautiful and the opportunities for internships are unlimited. I love it here!” - Maurice Stona

STUDENT LIFE

- 15 miles from New York City
- Easy commute from Westchester, Nassau and the five boroughs.
- 30 different student organizations
- 20 varsity sports
- International student body

“The minute I stepped onto the campus, I felt like I belonged at Maritime College. Within the first few months of starting at the College, I got involved in volleyball and other campus activities. I have met really interesting people and made new friends.” - Yan Jie Shi

REGIMENT

- Leadership
- Self-discipline
- Individual responsibility
- Structured lifestyle
- No military obligation
- Hands-on experience during Summer Sea terms aboard the Training Ship Empire State VI
- Receive a US Coast Guard deck or engine license
- Travel to at least nine different ports in the Caribbean and Europe.

“Joining the Regiment of Cadets after attending Valley Forge Military Academy was a seamless transition. All of my credits transferred and I’m on track to receive my Bachelor’s degree in May.” - William Kirk Schroeder

FINANCIAL AID

Maritime College is dedicated to assisting students meet the cost of their education. More than **79%** of Maritime College students receive financial aid. Need-based aid is available and requires completion of the Free Application for Federal Student Aid (FAFSA) as well as the Maritime College financial aid form. Aid includes: Federal Pell Grants, Federal Perkins Loans, Federal Stafford Student Loans, and Federal Work-Study awards and Tuition Assistance Program (TAP) grants for New York state residents. Merit-based scholarships are available to qualified students.

Cadets who are selected for the federal Student Incentive Program (SIP) pay New York State tuition rates regardless of state residence. SIP students receive a yearly stipend, complete one of the license programs at the College, and agree to serve in the U.S. Navy Reserve. Navy, Marine Corps, Air Force, and Army ROTC programs are available as well as direct commissioning programs with the Navy and Coast Guard.

ADMISSIONS PROCESS

We make transferring easy:

Transferring to Maritime is an easy process. Fill out an online application and send us all of your official college transcripts. (Under 15 college credits, you will need to send us your high school information). Once your file is complete, we will notify you of our decision within two weeks. We accept up to 75 transfer credits from a two-year college and up to 90 from a four-year institution. We have established articulation agreements with Nassau Community College (CC), Suffolk CC, Westchester CC, Bronx CC and Queensborough CC among others.

Apply online at suny.edu/student/apply

In-state tuition rate applies to the following states: Connecticut, Delaware, Florida, Georgia, Louisiana, Maryland, Mississippi, New Jersey, North Carolina, Pennsylvania, Rhode Island, South Carolina, Virginia and Washington, D.C.

- **100% Job Placement**
- **Highest Starting Salaries in the Nation**
- **Low In-State Tuition**
- **Fast-Track Bachelor's and Master's Degree Programs in 2-3 Years**
