**Bi-Lingual Logistics Coordinator:**

Fluency in Portuguese is required. Fluency in Spanish is a plus.

Exciting opportunity to apply your skills in logistics and operations at an international importer of perishable goods in Nassau County.

Responsibilities include importing, inventory control, logistics and operations.

We seek an experienced, bright, motivated “take-charge” professional with the ability to anticipate and solve problems in a fast-paced environment. Successful candidates can multi-task effectively, are well-organized and pay close attention to detail.

At least 3 years experience in perishable imports is required.

Please send your resume or inquiries to info@greatoceans.com.
