

B.E. in Electrical Engineering with Deck License - Flow Chart for students entering SUNY Maritime College during the 2018-19 academic year

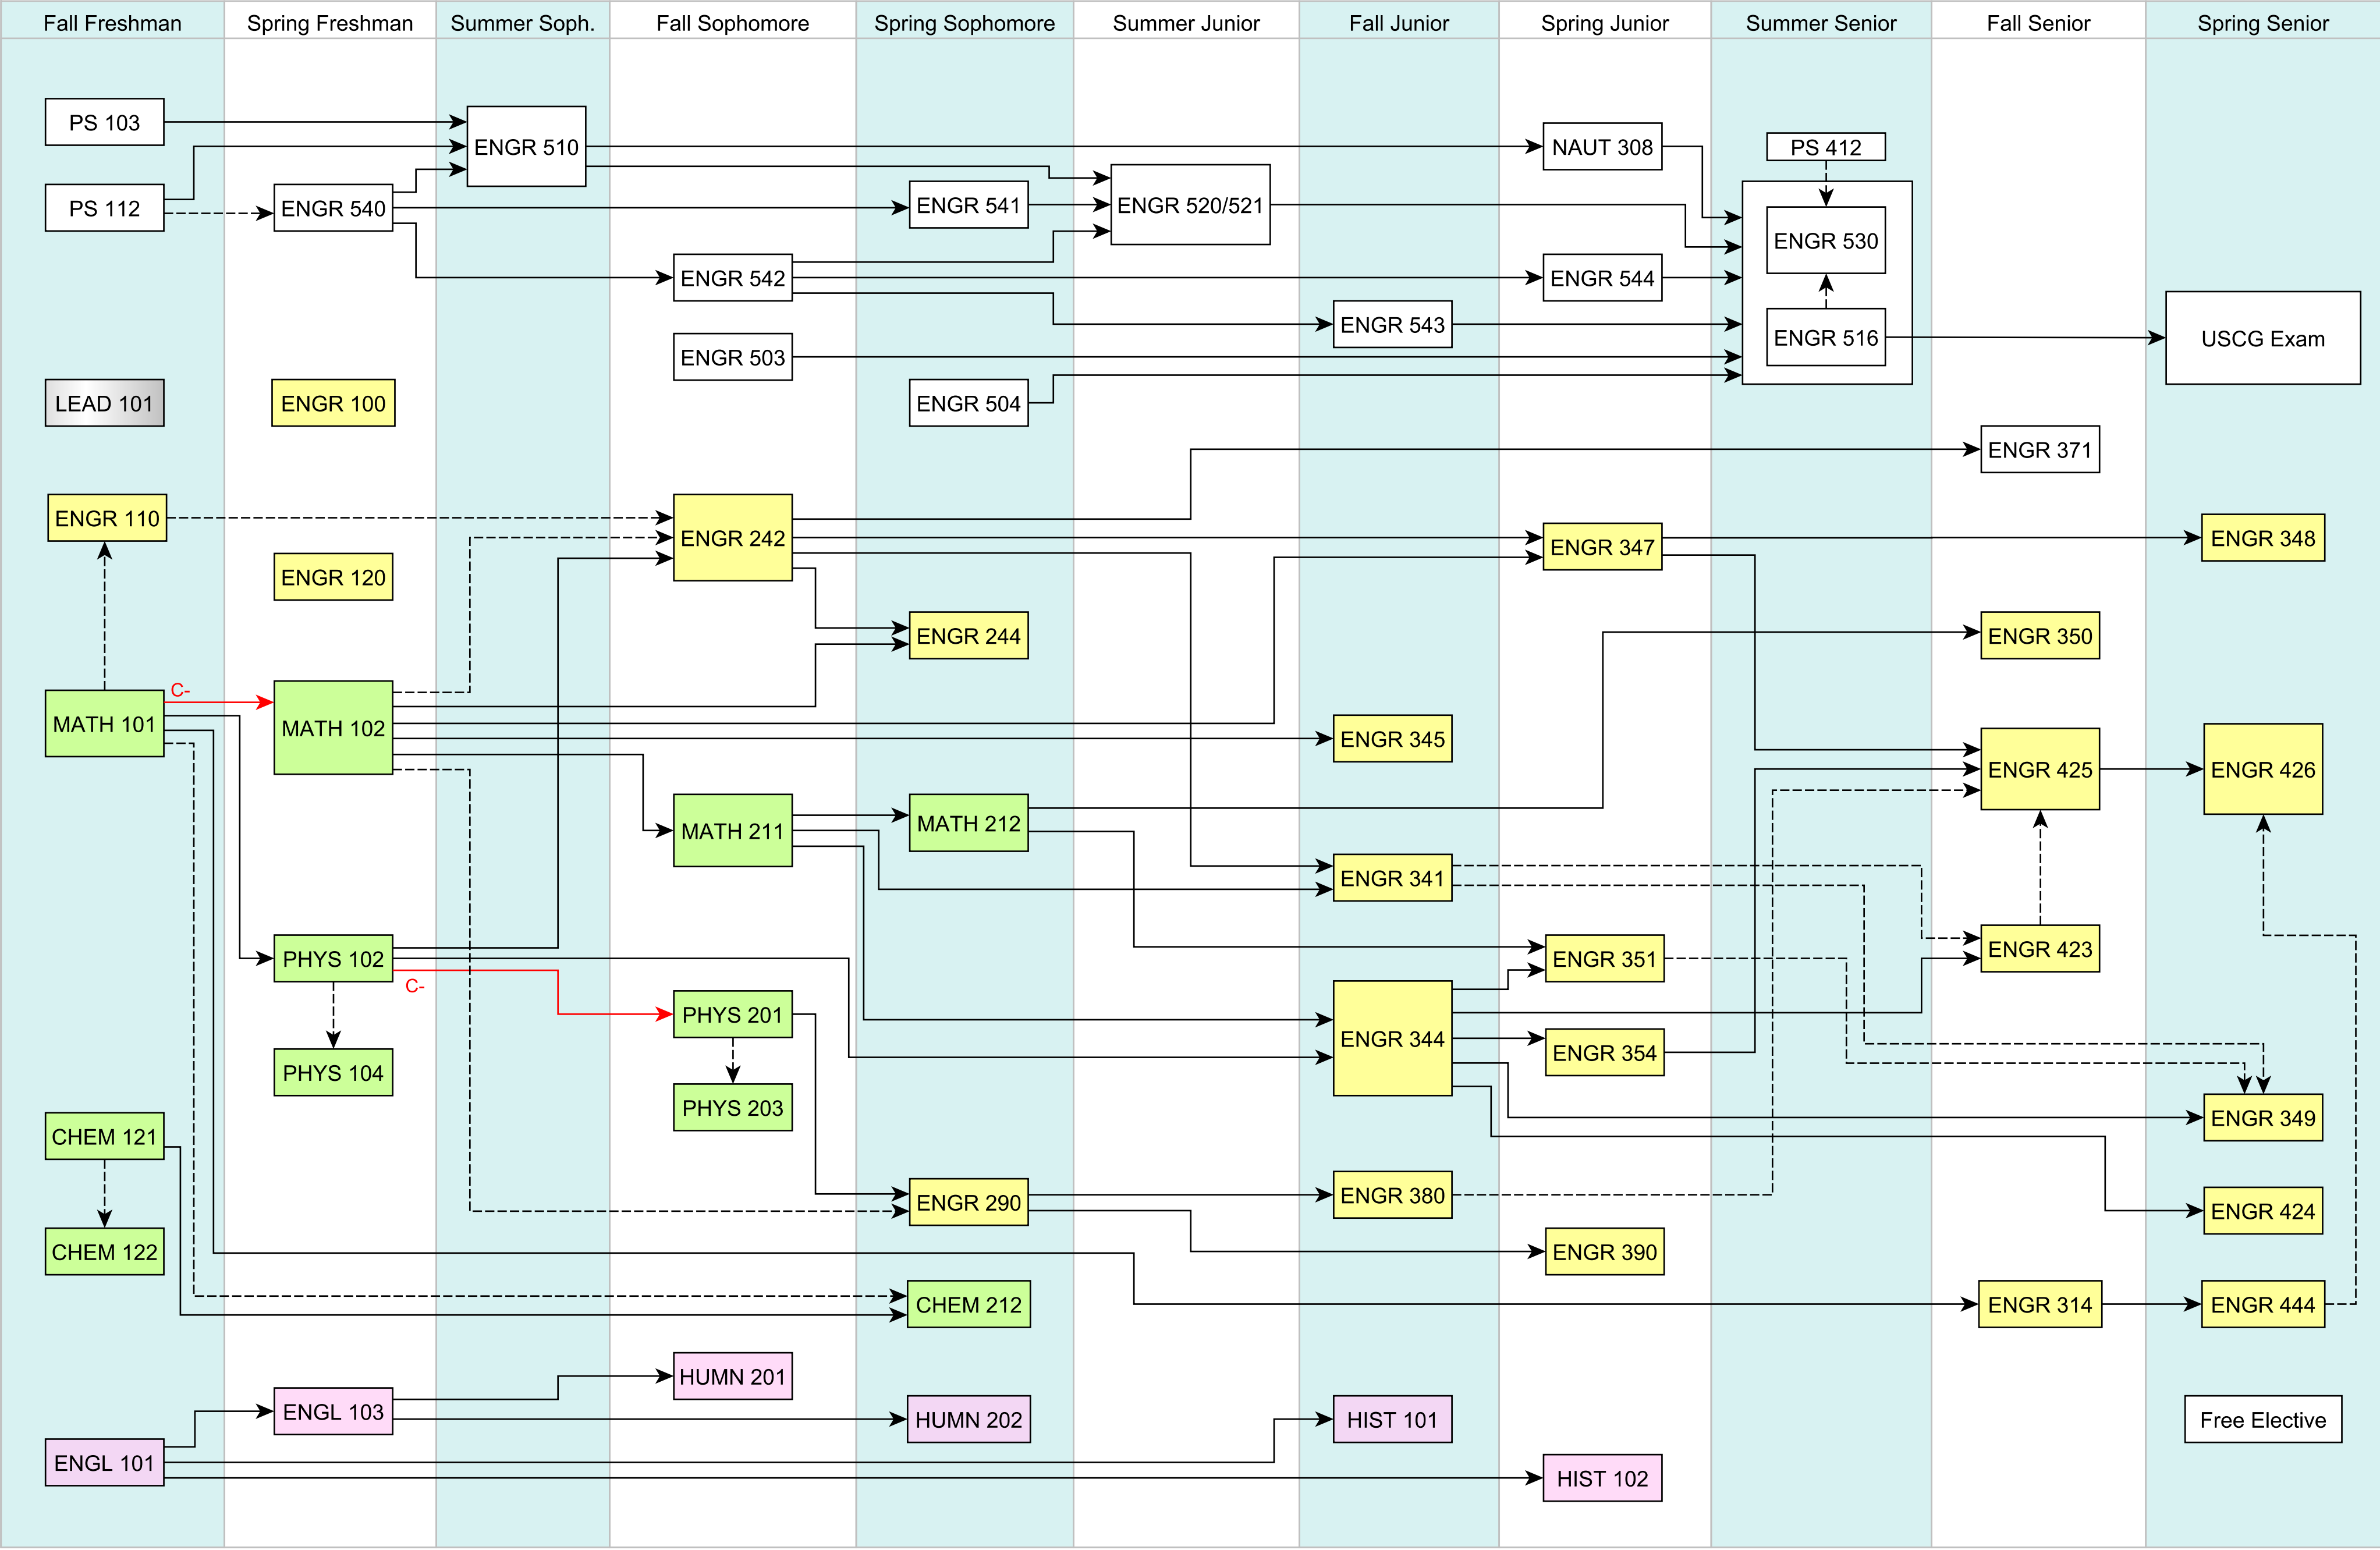

B.E. in Electrical Engineering with Engine License - Flow Chart for students entering SUNY Maritime College during the 2018-19 academic year

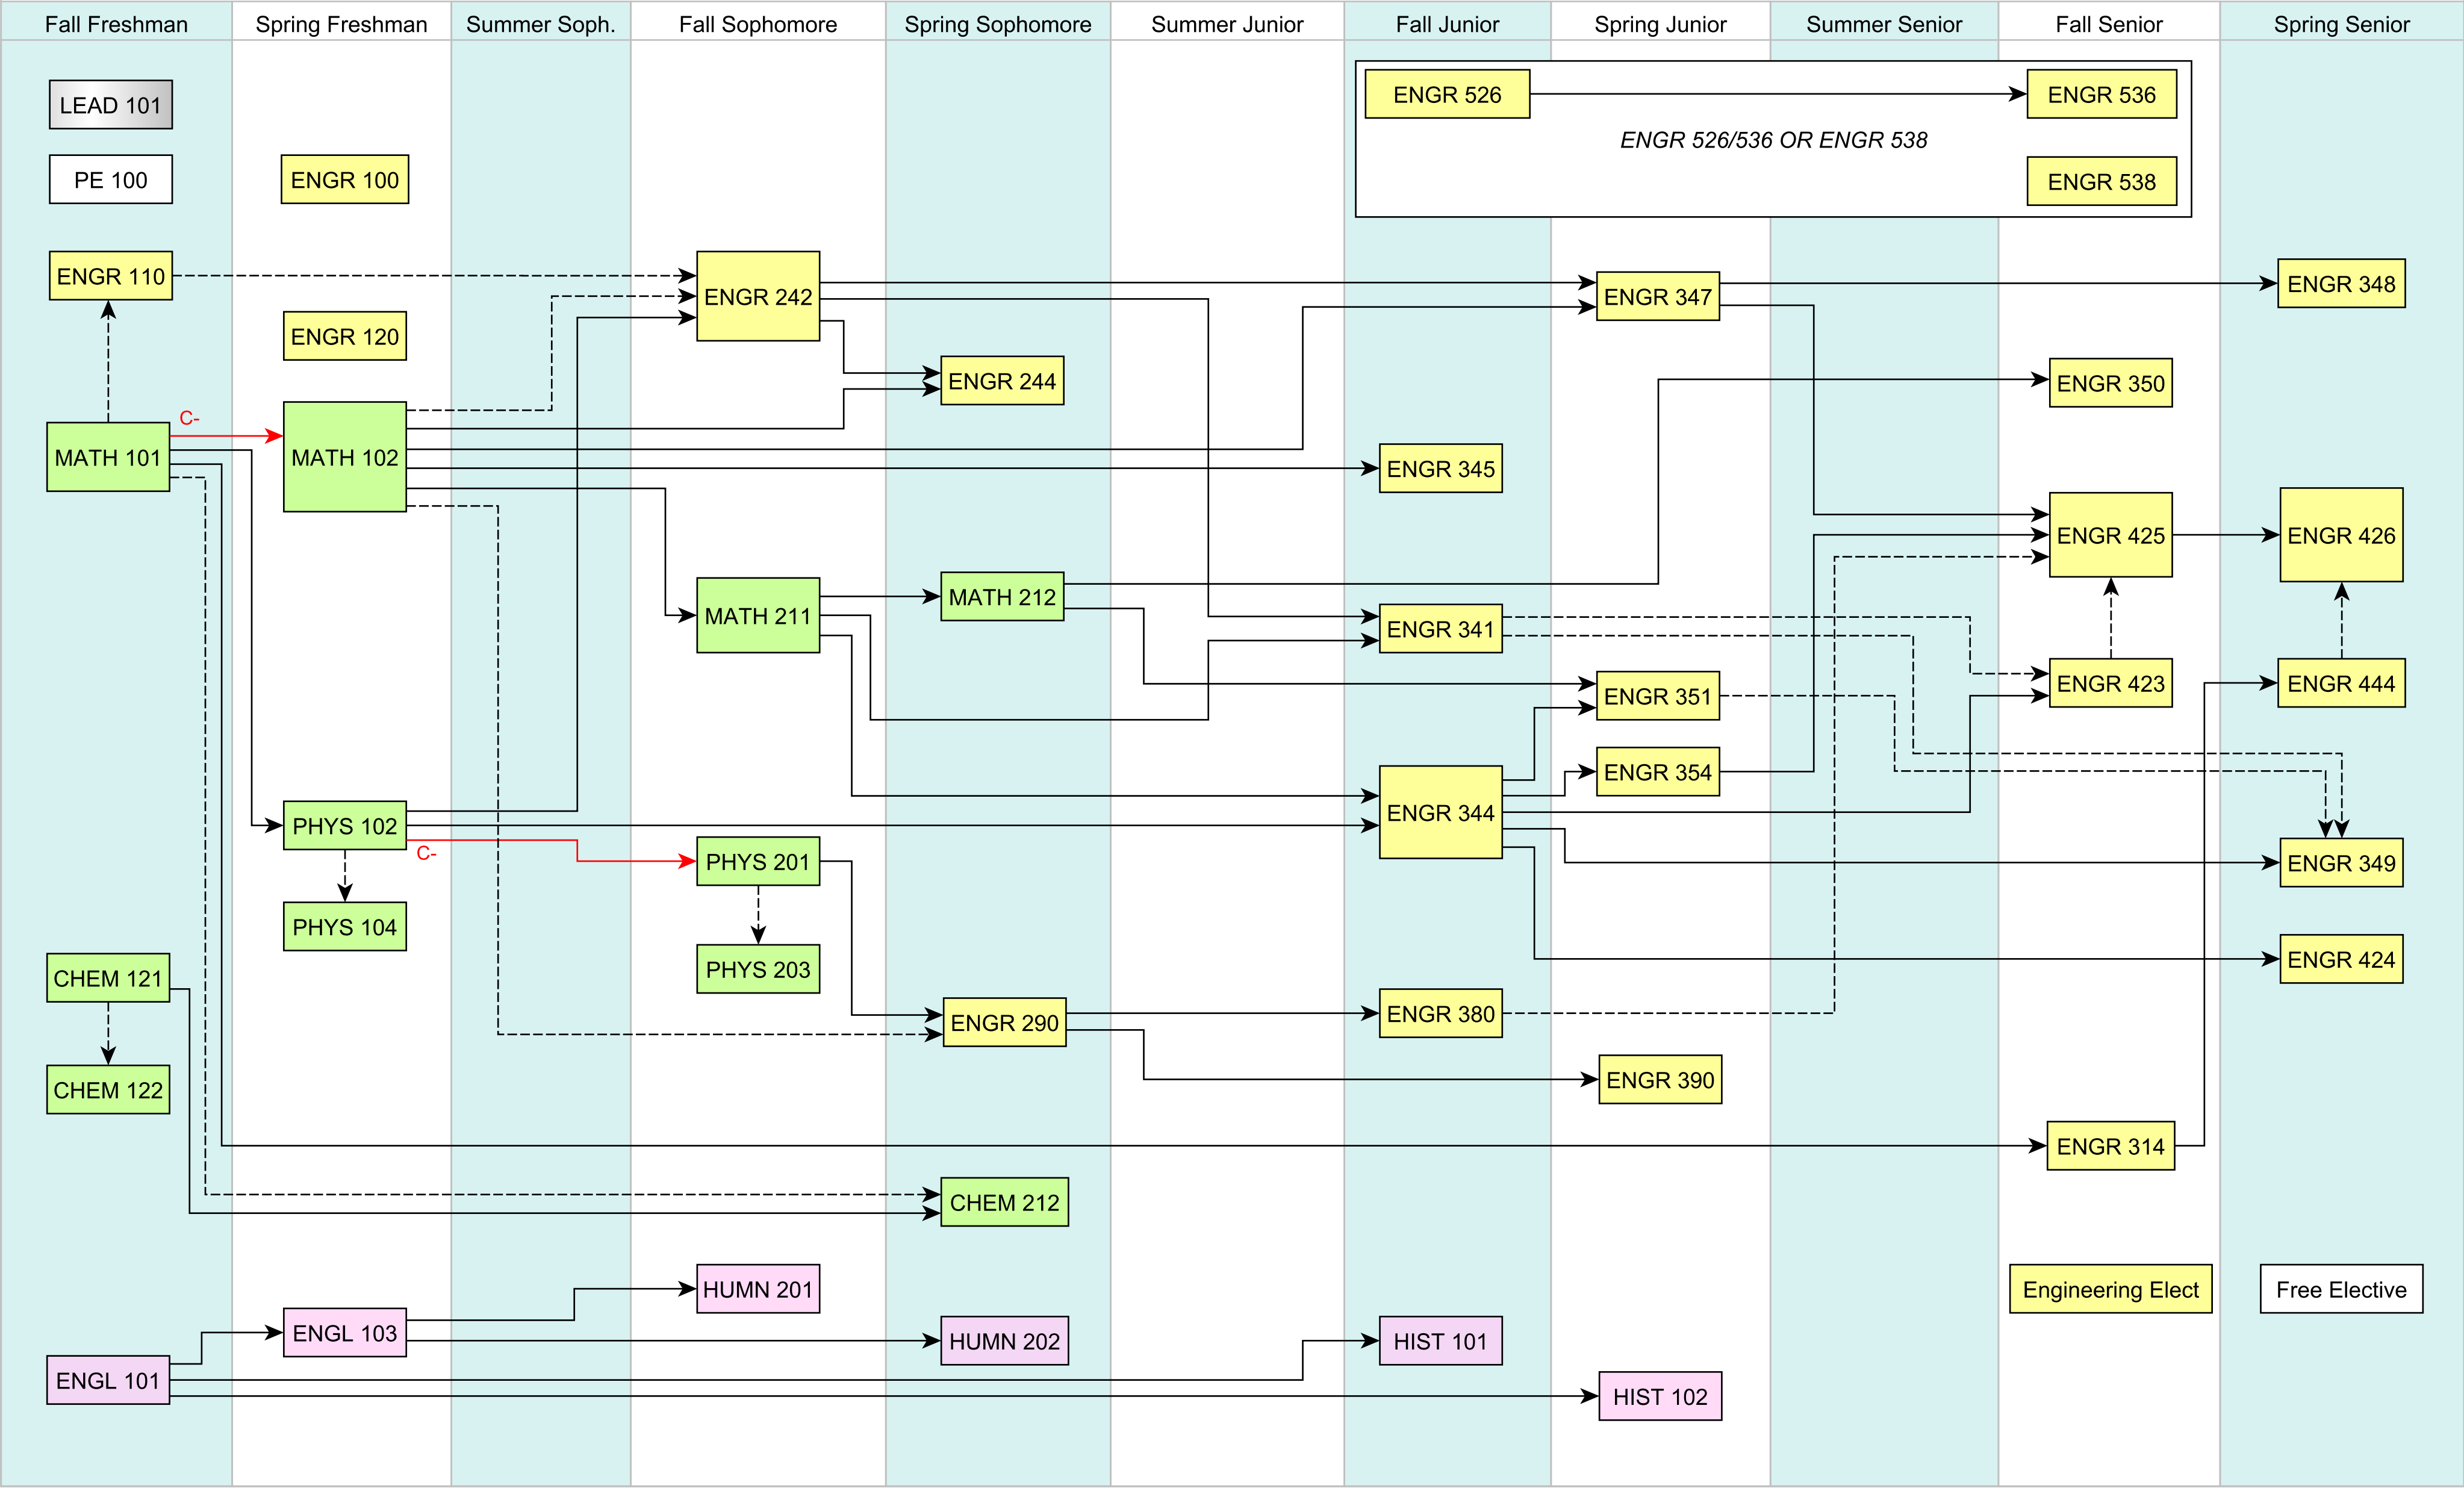

B.E. in Electrical Engineering with Internship - Flow Chart for students entering SUNY Maritime College during the 2018-19 academic year

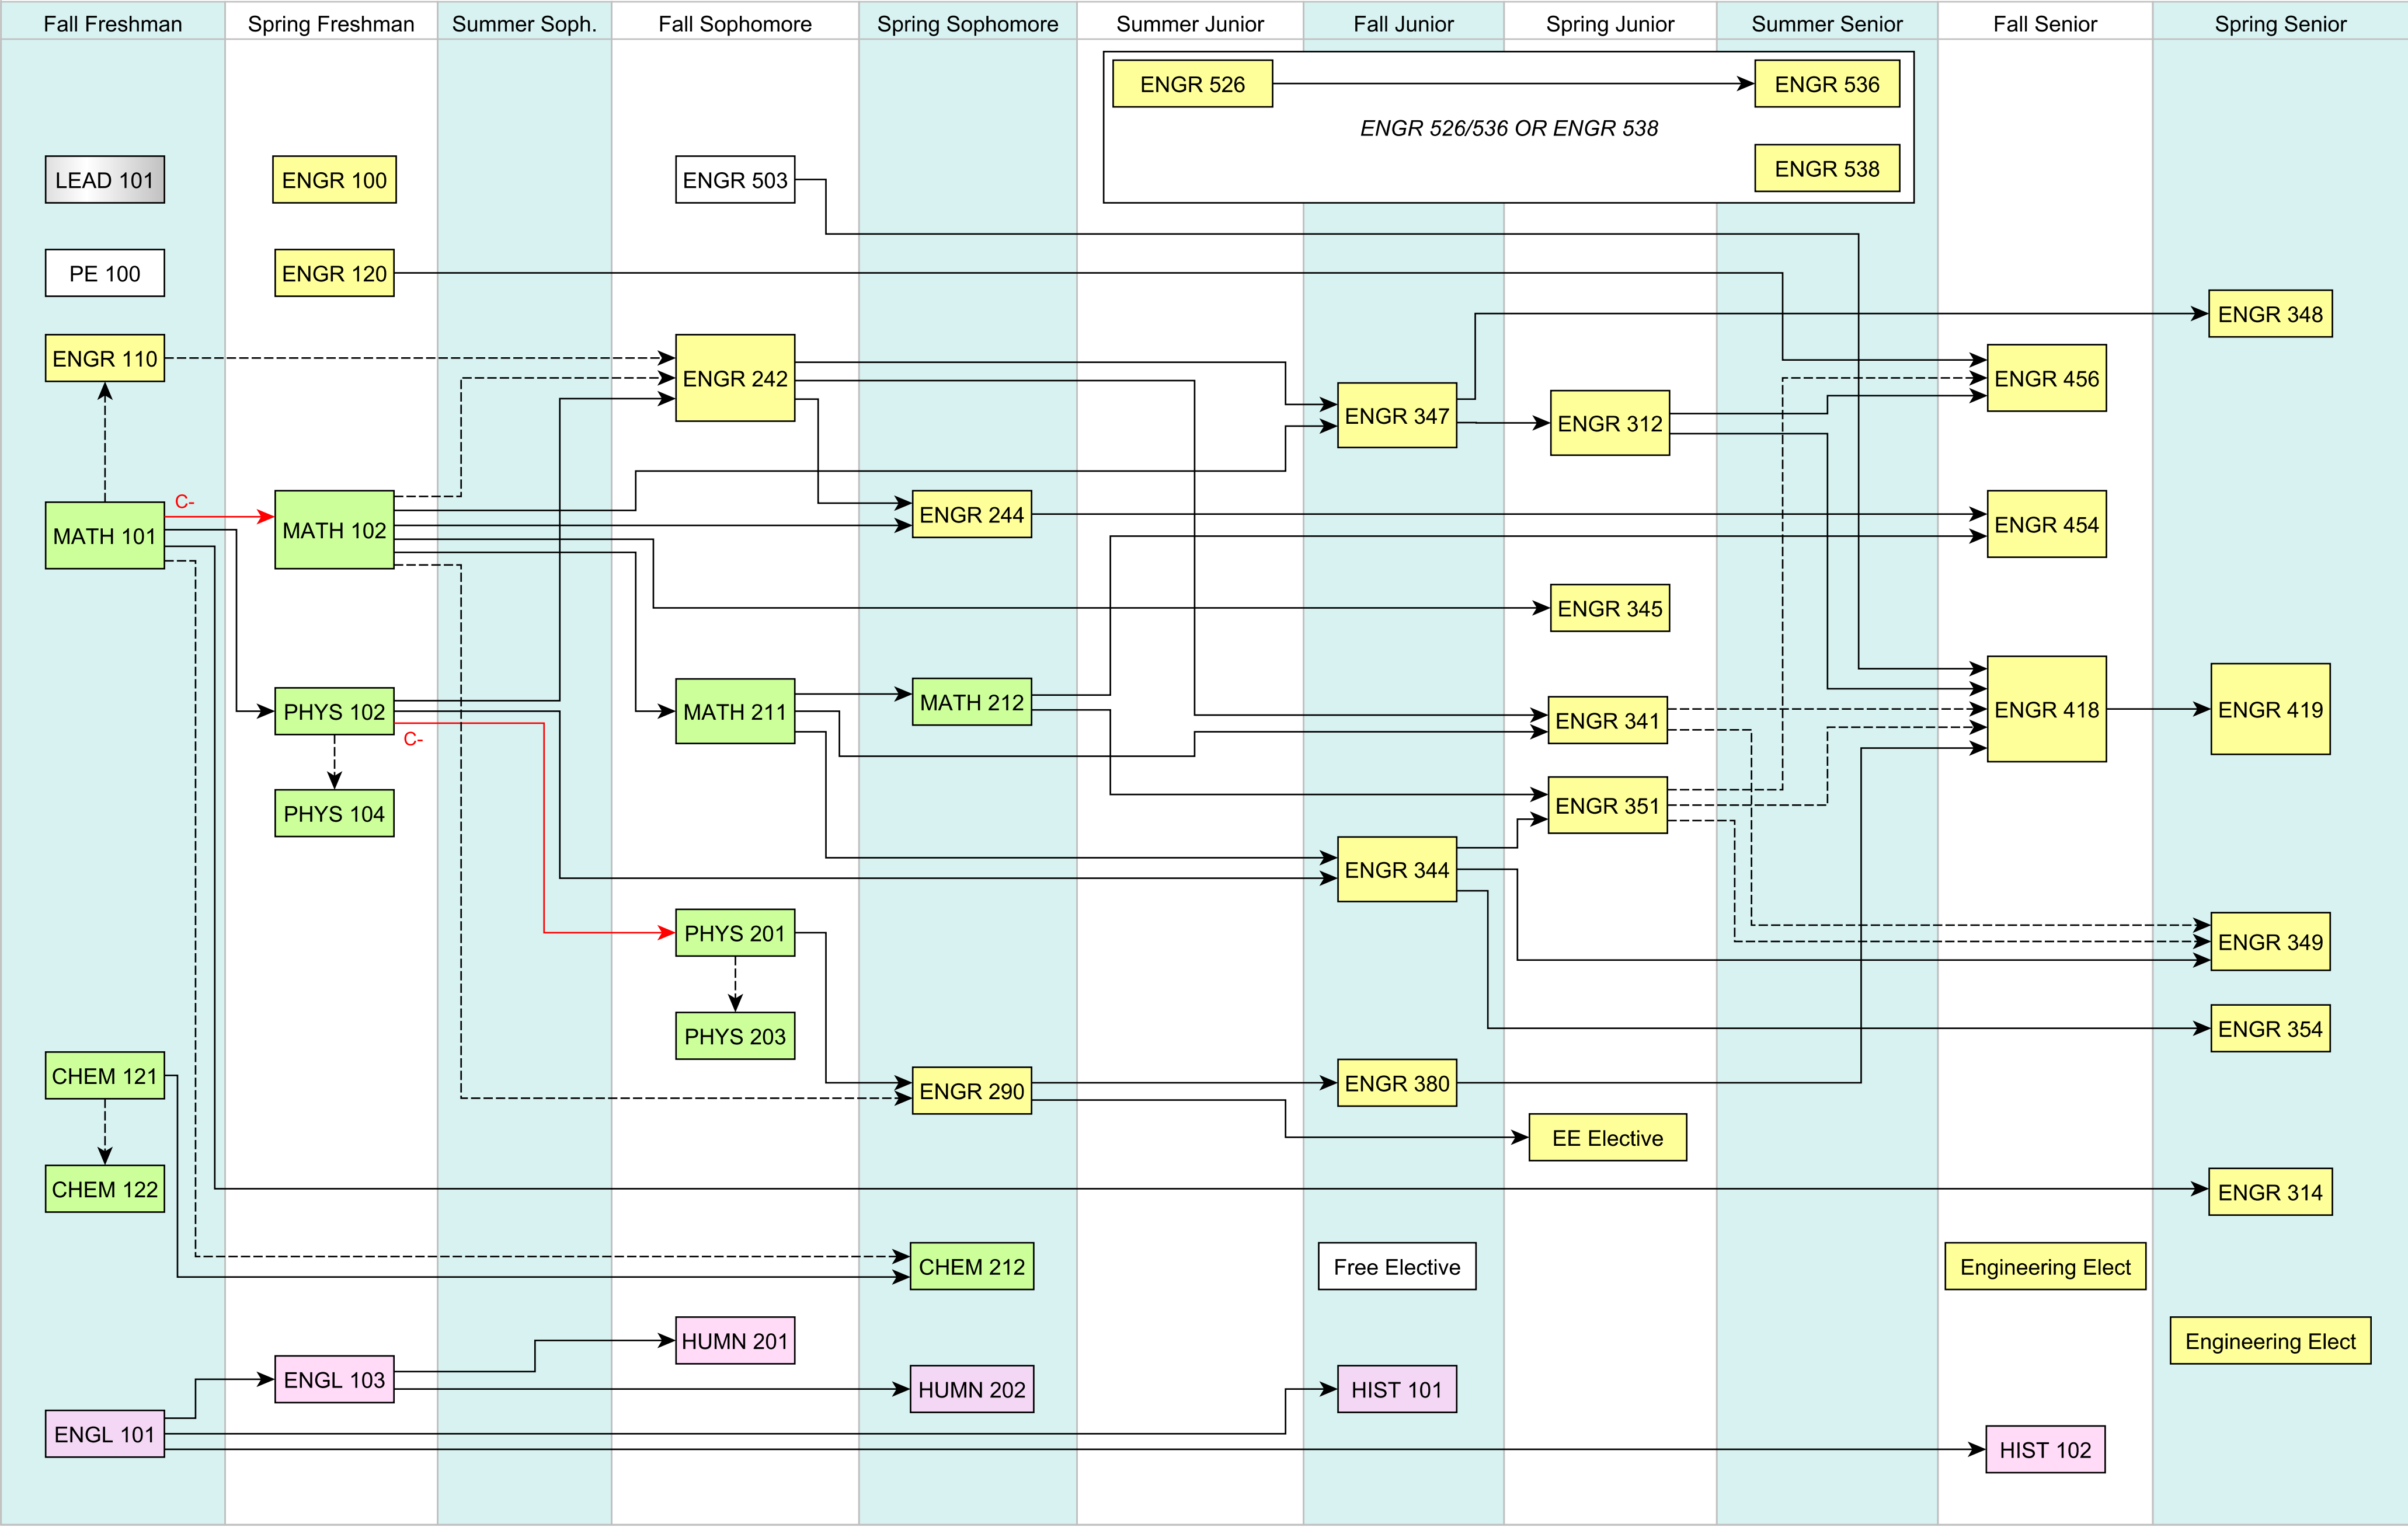

B.E. in Facilities Engineering with Engine License - Flow Chart for students entering SUNY Maritime College during the 2018-19 academic year

B.E. in Facilities Engineering with Internship - Flow Chart for students entering SUNY Maritime College during the 2018-19 academic year

B.E. in Mechanical Engineering with Internship - Flow Chart for students entering SUNY Maritime College during the 2018-19 academic year

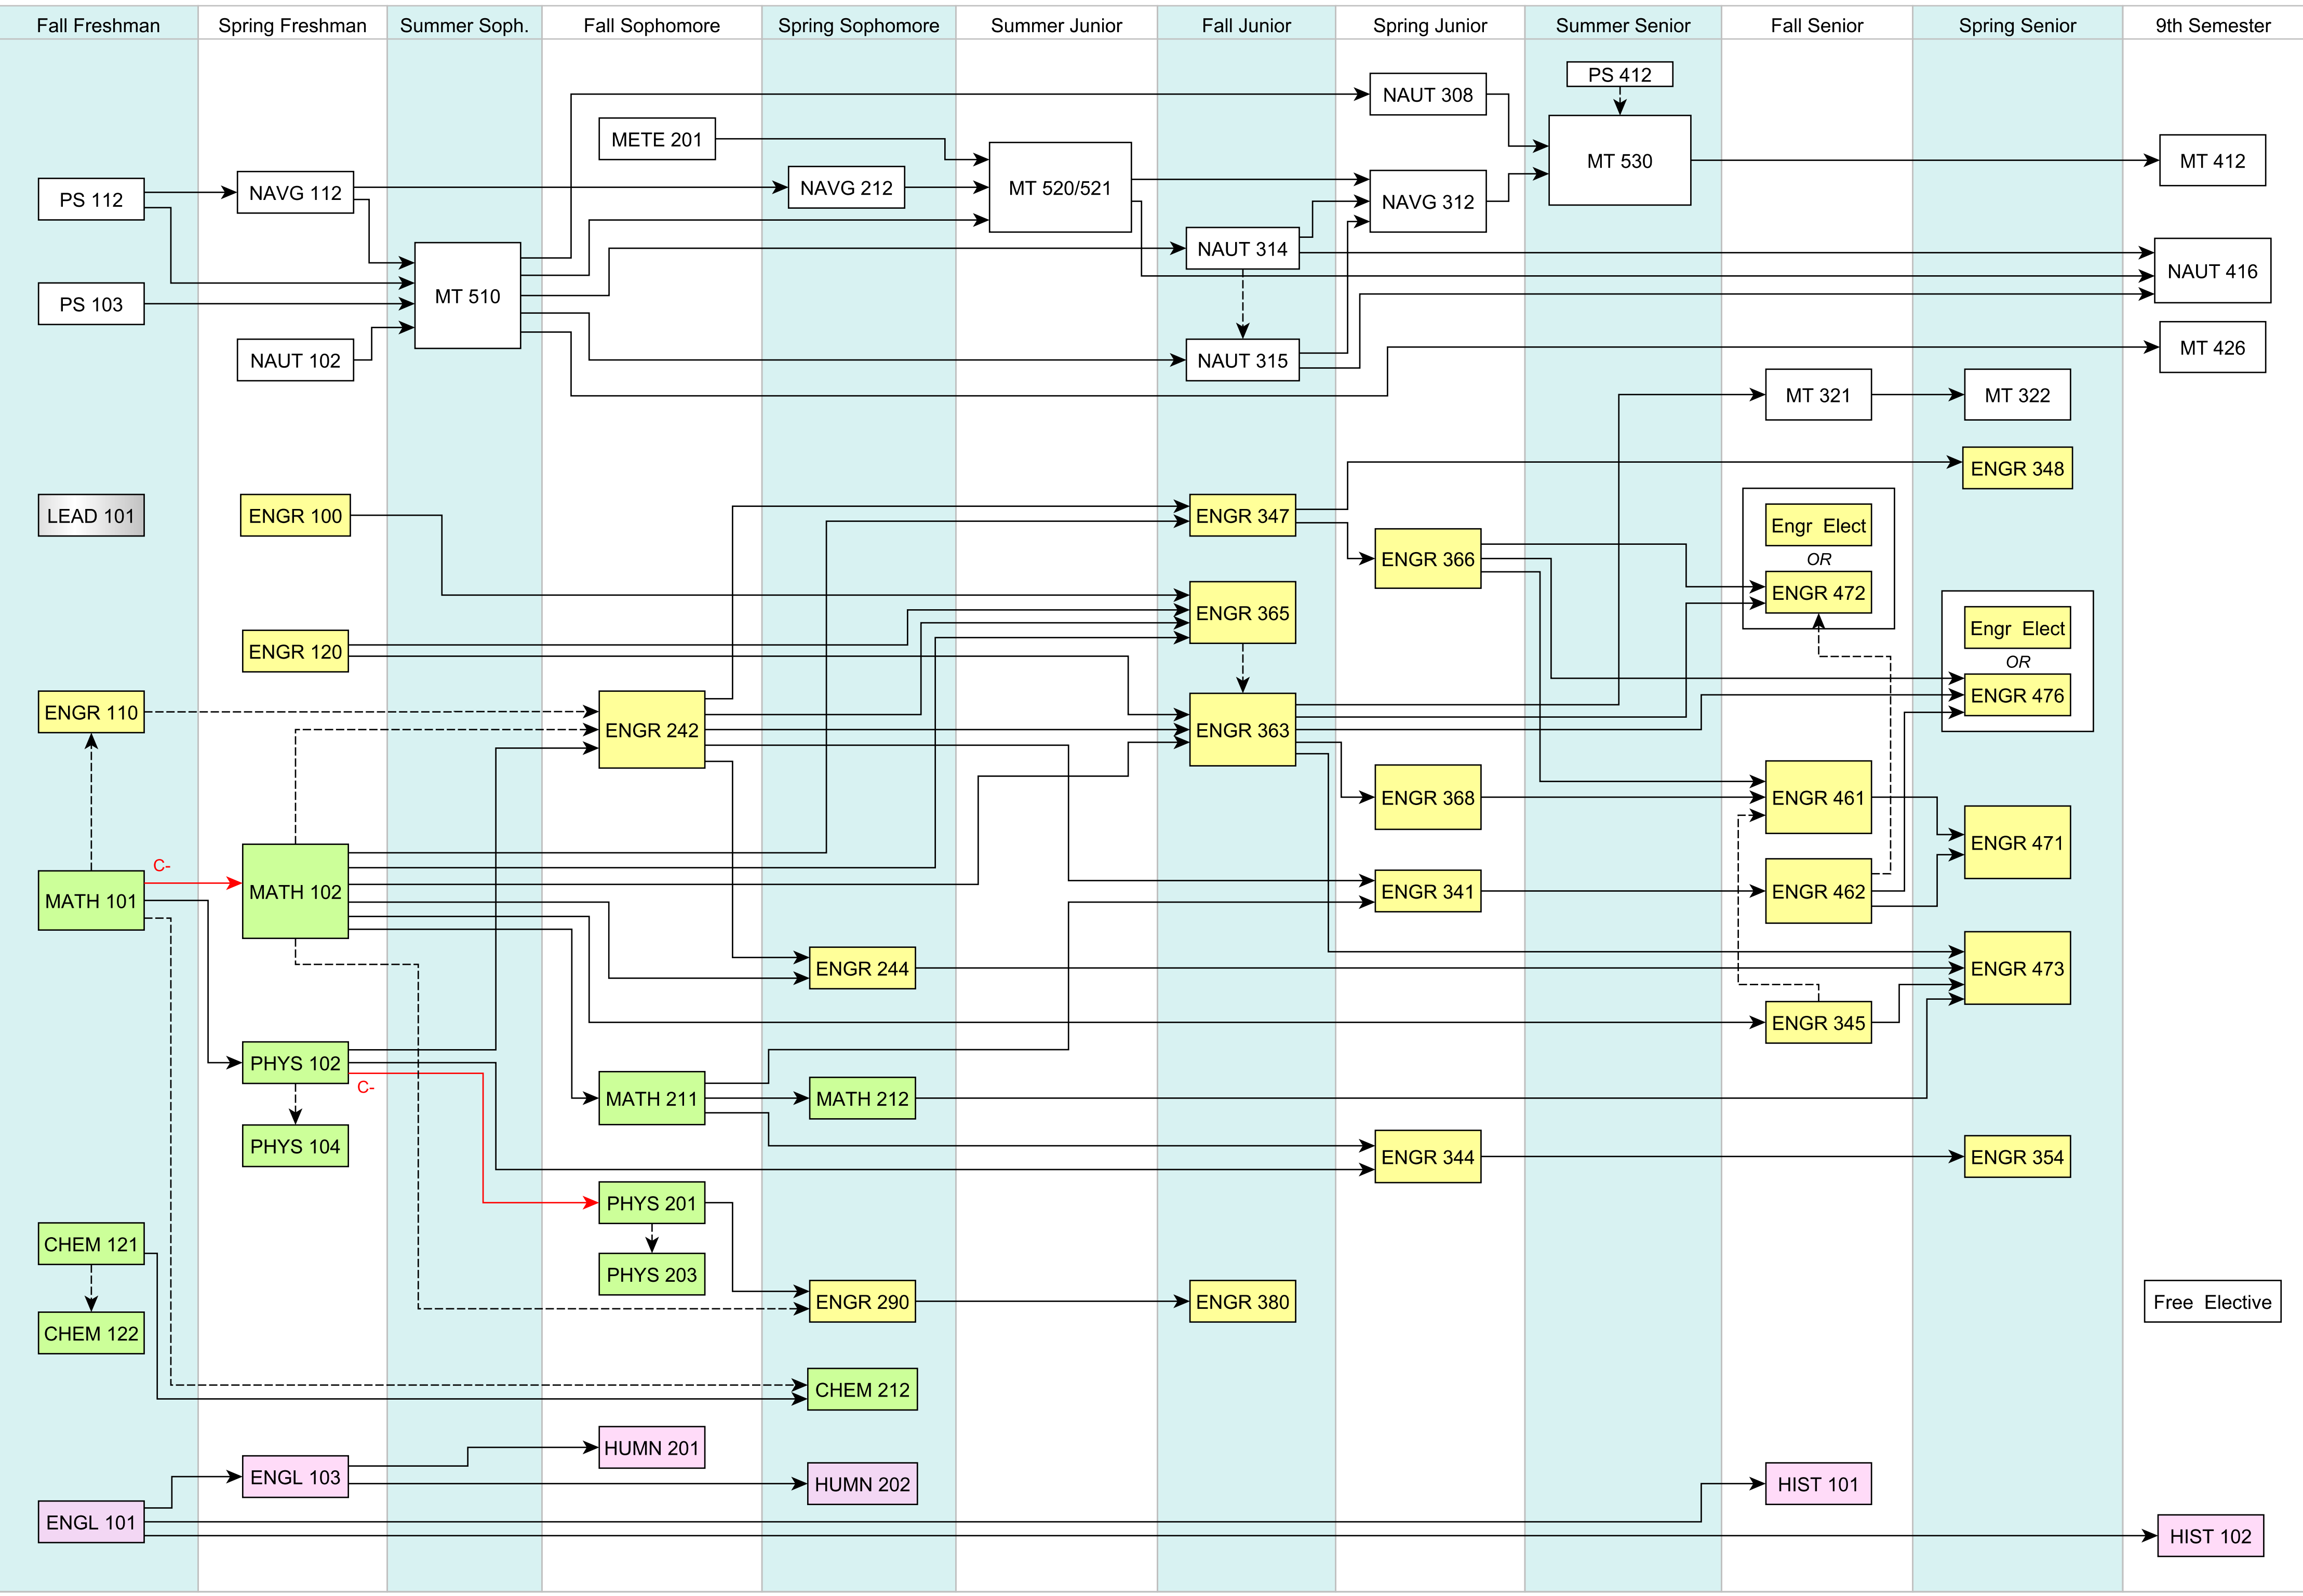

B.E. in Naval Architecture with Deck License - Flow Chart for students entering SUNY Maritime College during the 2018-19 academic year

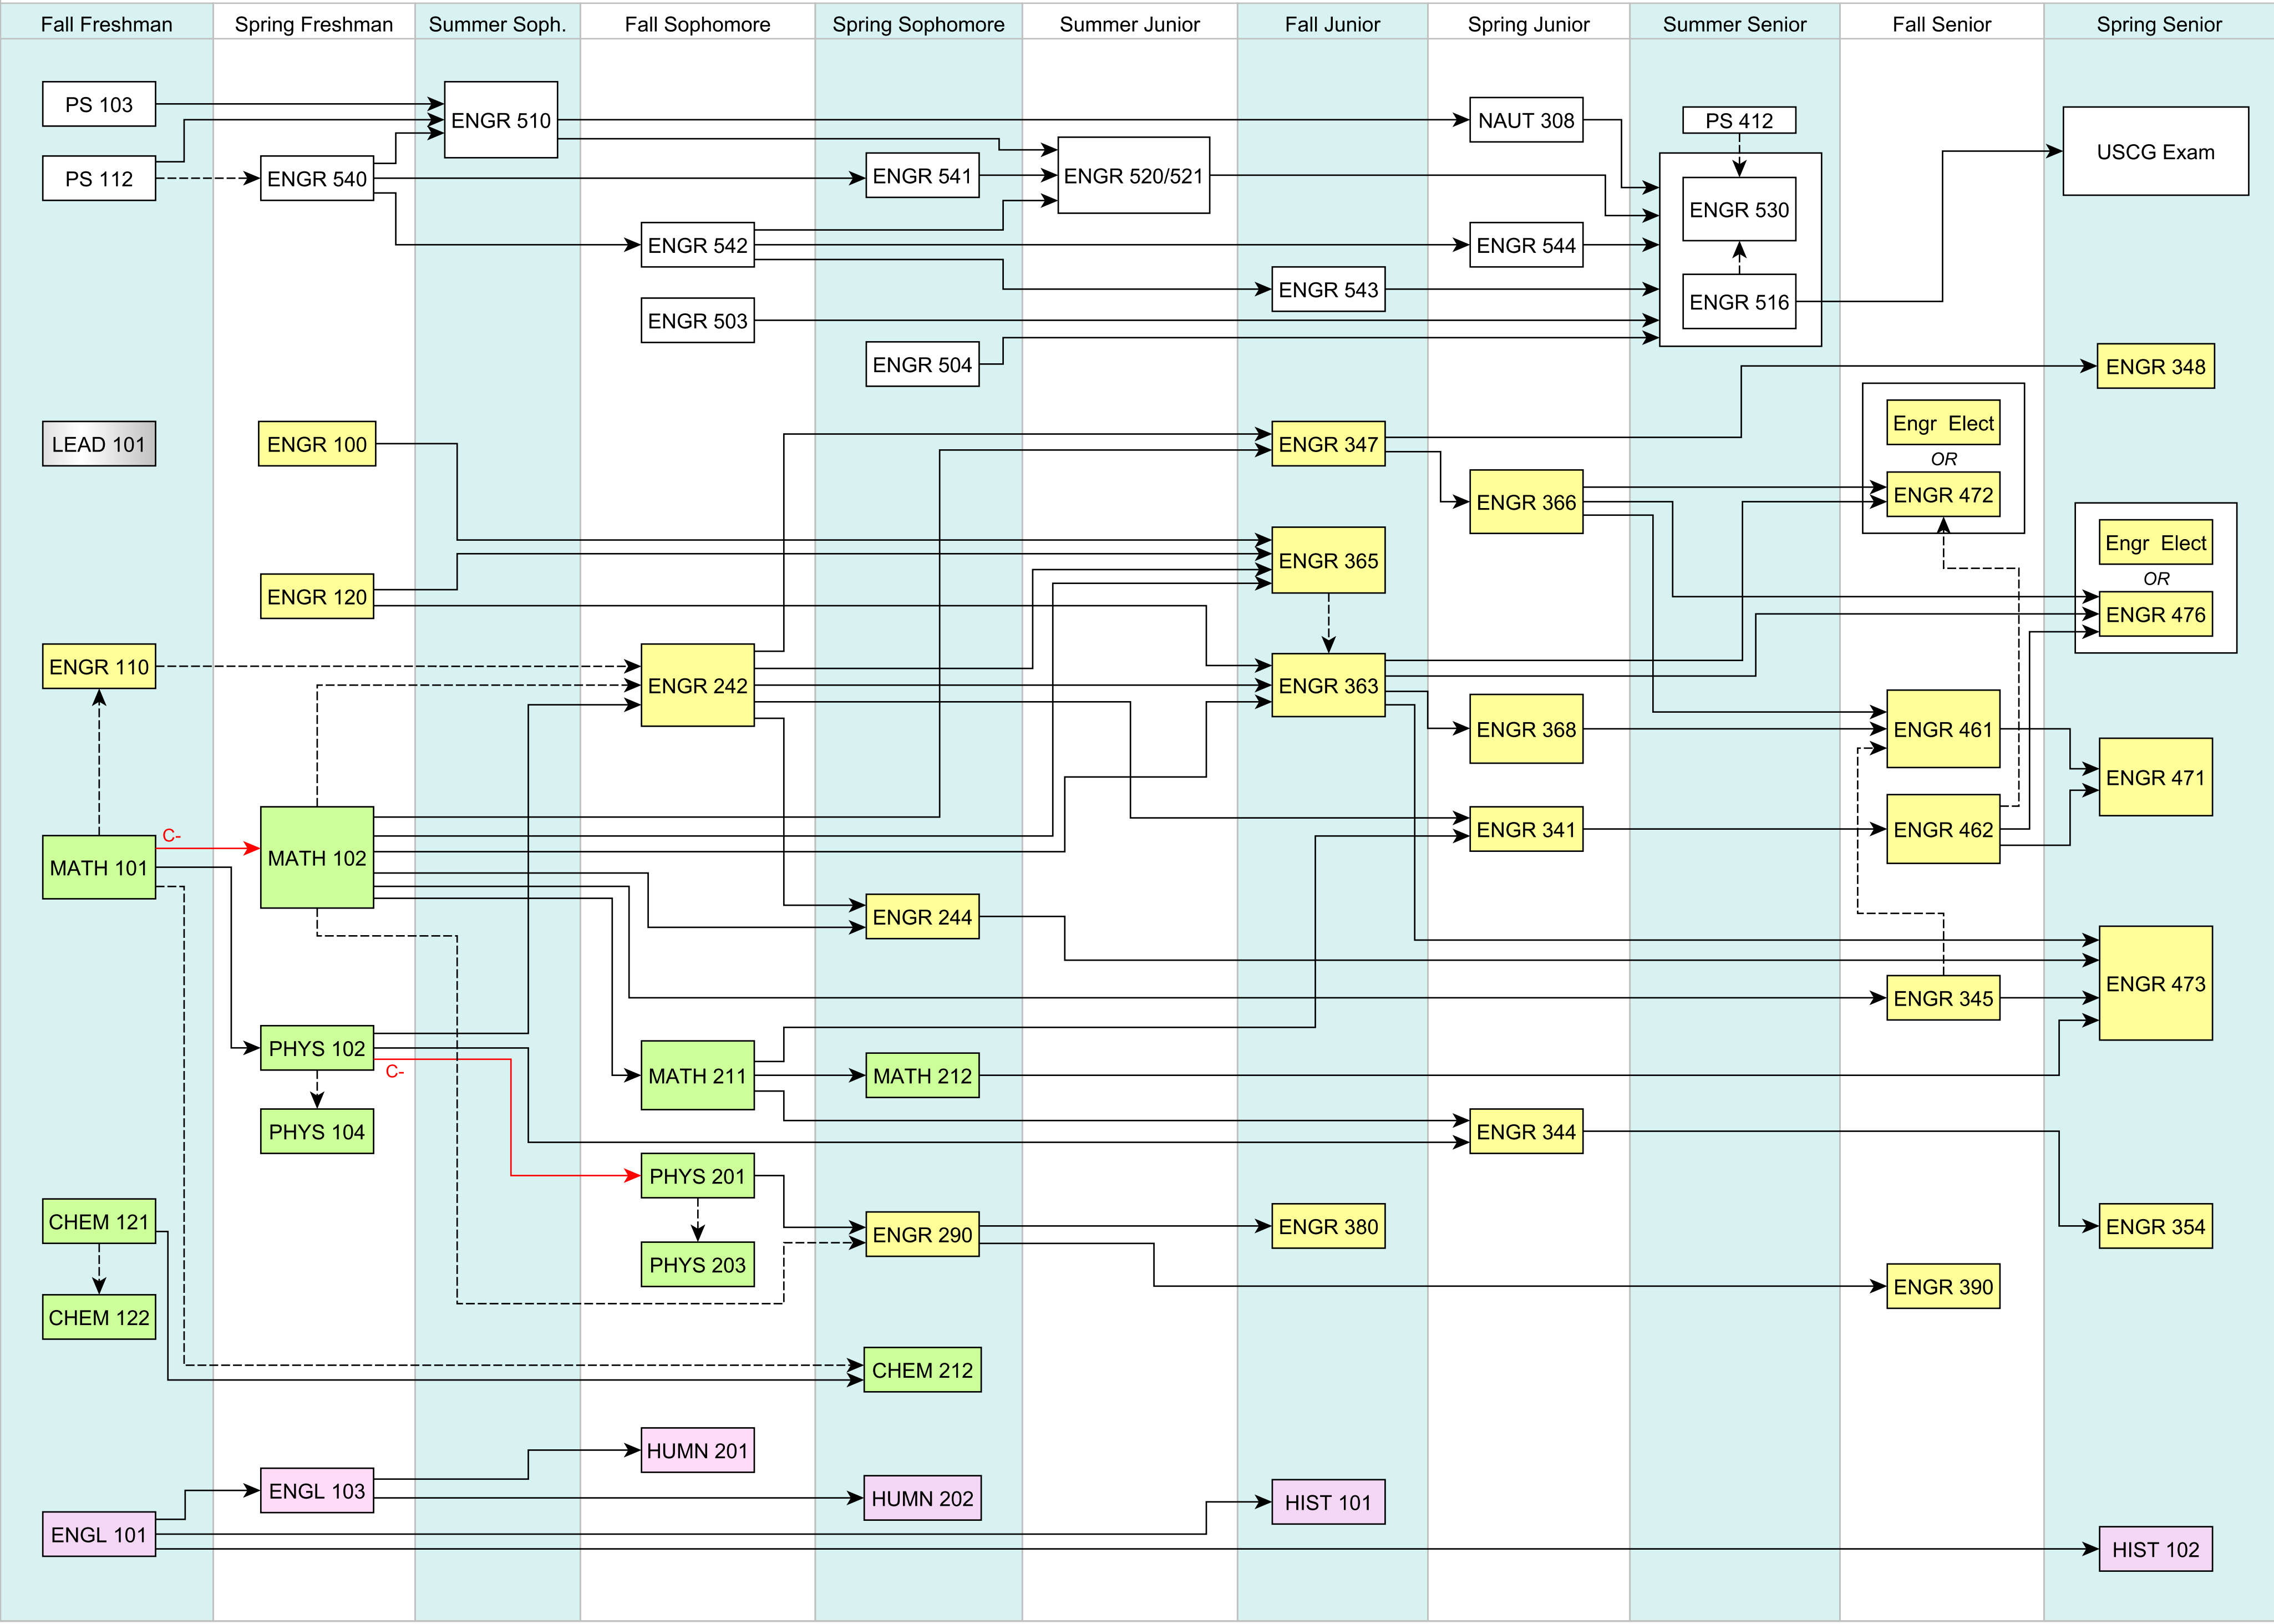

The flow chart illustrates the required course sequence for the B.E. in Naval Architecture with Deck License program. The program is structured by semester, with courses typically taken in a specific order. Key features include:

- Color Coding:** Courses are color-coded by semester: Fall Freshman (light blue), Spring Freshman (light blue), Summer Soph. (light blue), Fall Sophomore (light blue), Spring Sophomore (light blue), Summer Junior (light blue), Fall Junior (light blue), Spring Junior (light blue), Summer Senior (light blue), Fall Senior (light blue), Spring Senior (light blue), and 9th Semester (light blue).
- Course Prerequisites:** Arrows indicate the flow of the program, showing which courses are prerequisites for others. Some arrows are solid, while others are dashed, indicating alternative or optional paths.
- Elective Options:** Several courses have alternative options, indicated by "OR" in a box. For example, in the Fall Senior semester, students can choose between ENGR 472 and ENGR 476. In the Spring Senior semester, students can choose between ENGR 471 and ENGR 473.
- Free Elective:** A box labeled "Free Elective" is shown in the 9th Semester, indicating a required elective course.
- Grade Requirements:** A red arrow labeled "C-" points from MATH 101 to MATH 102, indicating a minimum grade requirement for the transfer of credit.

The flow chart provides a comprehensive overview of the program's structure, allowing students to plan their course of study and understand the prerequisites for each course.
