Your 2023-24 Free Application for Federal Student Aid (FAFSA) has been flagged for “Unusual Enrollment History Review” by the U.S. Department of Education because you received Federal Pell Grant and/or Federal Direct Loan funds at multiple education institutions during the review period 2019-20, 2020-21, 2021-22, and 2022-23. This flag requires SUNY Maritime College to review your enrollment history and determine whether or not you are enrolling only long enough to receive cash refunds of federal student aid. In the process of reviewing your enrollment history, Maritime will check the National Student Loan Data System (NSLDS) to obtain a complete history: the name of institutions you have attended, and the dates of attendance.

**Please complete the steps below.** Your application for financial aid will not be considered until you submit this completed form and required documentation. You will be notified via e-mail of our decision within 10 days of completing these requirements.

**STEP 1:** Obtain an academic transcript or grade report for the entire time you received Federal Pell Grant and/or Federal Direct Loan funds at any/all education institutions during the review period (2019-20, 2020-21, 2021-22, and 2022-23). **Add your name and Maritime ID# to the top of each page.** Note that, if any transcripts/grade reports are unclear, you will be required to provide an official academic transcript.

**STEP 2:** List below the name of all education institutions at which you received Federal Pell Grant and/or Federal Direct Loan funds during the review period mentioned above. If you need additional space, please attach a separate page. **Include your name and Maritime ID# at the top of each page.**
