

Title: Appointment, Promotion and Tenure Matrix

No: 26-02

Date: 9/14/2026

The matrix below was approved by Engineering faculty and the Department Advisory Committee in 2018. It is provided as a guide, is not a guarantee of any action, and does not supersede the current revision of the Policies of the Board of Trustees of the State University of New York. A college-wide matrix is expected to replace this document at an unspecified time in the future.
