● DAILY WATCH MUSTER - (Mon-Fri) 0735 or immediately following AM formation, whichever comes first, to be conducted under the Mess Deck. All watches have a 15 minute anticipation to turn over any notes and to conduct a debrief. The actual (logged) watches start and end on the "45". i.e. The (2hr) 0800-1000 watch should be on location, at the latest 0730, for their debrief, log in at 0745 and log out at 0945.
The (4hr) 1600-2000 watch should be on location at the latest 1530 for their debrief, log in at 1545 and log out at 1945.
● CRDO is responsible for ensuring that morning and evening colors are observed in the Quad daily while on a Weekday Watch.
● Distribution of Watch Bills by XO's: Company - all floors, Battalion Lobby, Pier Security Booth, Ship's Quarterdeck.
